Dear Simon

On reviewing the proposals, I would recommend that the use of two rooflights as specified (rather than one roof light and one lantern), would be considered acceptable. The purpose is to illuminate a hallway and small room off this.

As the roofs are modern and does not harm the historic fabric, there is no objection other than that outlined above.

Regards

Clare

Hi Clare,

I have just sent two consultations requests over for P/120/17/L and P/123/17/L. Could you put them towards the top of your pile?

Kind Regards
