Dear Mr Stevenson,

I have received comments from our tree officer about the decision of the above application at 32 Kings Drive.

The proposal in it's current format is for refusal, however the tree officer would be able to approve this application subject to conditions if you were to agree to his revised proposal to:

Remove the crown thin 30% element - as part of the current application so as not to incur further delay.

If you agree to this revised proposal I will be able to approve your application subject to conditions.

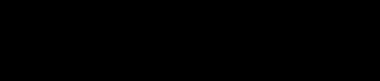

Please email me back to confirm your agreement to the comments by 14/01/20 otherwise your application will be refused.

Many thanks

Zoe Toppin
