Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

This application seeks to vary the condition listing the approved drawings, in order to substitute the previously approved drawing set with the revised proposed drawings submitted herewith. The description of development remains unchanged, and the extant permission has been lawfully commenced.

The revised scheme is a design refinement of the approved development. It reduces the overall scale, form and massing of the extensions, rationalises the roof form into a coherent and buildable arrangement, and provides a proposal that relates more appropriately to the existing dwelling and retained train carriages.

The amended scheme does not intensify the approved development. It is 1.8 sq m smaller overall, projects less towards the seafront, and sits more comfortably within the street scene of West Front Road. The revised drawings are also based on an accurate measured survey of the existing building, allowing the proposals to be assessed against the property as it exists.

The variation is therefore sought to replace the approved drawings with a scheme of reduced visual impact and improved architectural coherence, while remaining within the scope of the extant permission and without changing the nature of the approved development.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

The variation is sought to replace the approved proposed drawings with a more proportionate scheme, without changing the nature of the approved development.

Proposed Elevations to be replaced with '33 West Front Road - Proposed Elevations_Section 73'

Proposed Plans to be replaced with '33 West Front Road - Proposed Plans_Section 73'

An additional document is to be submitted that explains the changes in designs and highlighting how the proposal reduces the overall scale, form and massing of the extensions. This document is called '33 West Front Road - 01 Comparison Document'.

To satisfy planning condition no. 3, please find the document '33 West Front Road - Schedule of materials and finishes'. The materials and finishes correlate to the proposed elevations.
