

1. Existing as drawn in granted scheme (1:125)

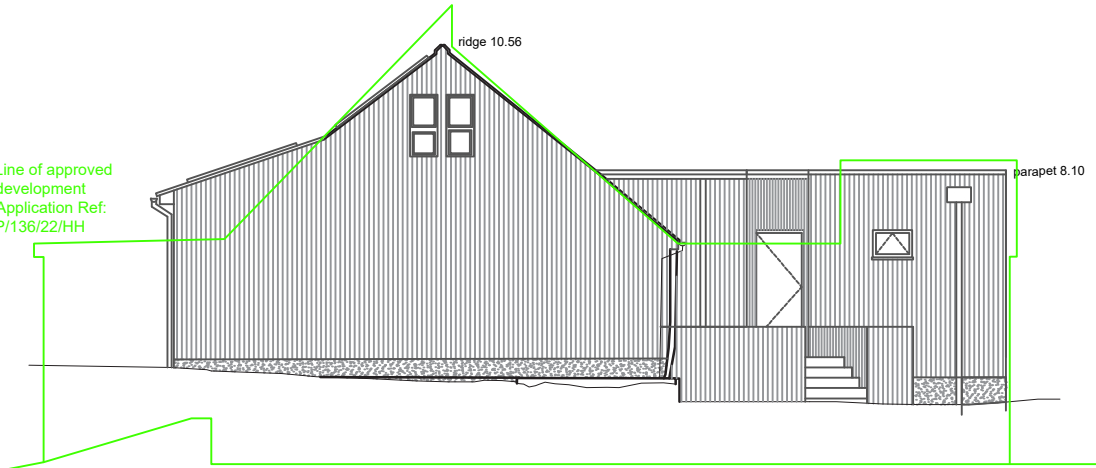

3. Existing as surveyed 01.12.2025 (1:125)

Key (NTS)

2. Proposal as drawn in granted scheme (1:125)

4. New application to be submitted as Removal/Variation of Condition application (1:125)

No levels on the proposal. Large step up to the front door (approx. 770mm).

The proposed elevation shows the overclad and external insulation treatment. Retains the existing ridge height and shows a safe access point to the front door with rain gardens either side. The existing stain glass windows are to be reused and located higher in the gable end to improve daylight. The height of the parapet on the front extension is similar to the approved scheme.

Client's Name	Dolores and Stephen Pinkerton
Job Title	33 West Front Road, Pagham

Drawing Title	Comparison of east elevation
Scale	1:125 @ A3
