

1. Existing as drawn in granted scheme (1:125)

3. Existing as surveyed 01.12.2025 (1:125)

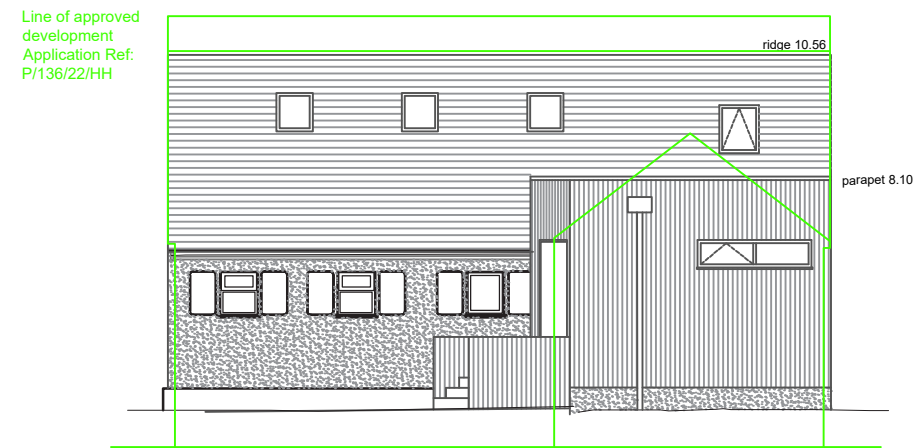

Key (NTS)

2. Proposal as drawn in granted scheme (1:125)

No levels on the proposal.

4. New application to be submitted as Removal/Variation of Condition application (1:125)

The front extension is higher at the eaves, but the roof height allows us to retain and restore the train carriage internally. Our proposal also shows new steps into the house, unlike the granted scheme that has not shown how people access the higher front door - shown on the east elevation.
