Planning Office
Arun District Council

Dear Kathryn Welch
P/121/21/HH Erection of a flat roof rear extension: 80 Hook Lane Pagham PO21 3PE

We note objection from Pagham Parish Council and enquire if you have any concerns with our clients proposals.

We would note the existing ground floor levels are raised above a typical house floor level, consistent with the semi detached property and in this case raises eaves level above a permitted development parameter, where a neighbour notification would have been adopted.

We understand that the neighbours have no objection.

Kind regards
Bill Matthews
