

It has also come to our attention that the side window of No 22 which also overlooks our garden should have been frosted, this is not the case and it has clear glass. It is stated on the original planning application for the extension that it should have been frosted.
If you have WhatsApp I can send you photos of the view from our garden and the original planning application for No 22 that I refer to above.
I look forward to a response.

Your sincerely,

Mr C Chandler
