Dear Steve,

Daniel Vick has written these 4 applications up for me. Could you agree to an EoT until next Wednesday 07 March for all four applications (P/122/17/PL, P/123/17/L, P/119/17/PL & P/120/17/L). Then Dan can put the reports through to another Team Leader (likely Juan) for decisions.

We also have a query re Drawings SB002 A and SB003 A on applications P/119/17/PL & P/120/17/L. These appear to be window cross sections. As the lantern has now been omitted, should one of these plans now be removed? If so, which one?

Kind Regards
