Dear Miss Willard

Many thanks for your e-mail. I would like to withdraw this application and resubmit a new application for listed building consent later. I have notified my client with regards to the type of the windows that they have chosen. I have sent them this letter with the attachment comment from conservation officer to come up with a suitable window for listed building.

I am very sorry about this but I did not know this was a listed building and my client did not mention about this.

Kind regards

Dear Mr Aarabi

I am the officer on your application P/125/21/HH at Neals Farmhouse.

Unfortunately this has been submitted on the wrong application form. As the proposal is for works to a listed building, an application for listed consent is required, not a planning application.

I would advise you withdraw and resubmit on the correct form as the works would not be able to take place until a listed application has been approved.

I have received some comments from the Conservation Officer which I attach and he does not believe the type of windows proposed are acceptable on the listed building. This should be considered before resubmitting and it may be helpful to have discussions with the Conservation Officer to ensure appropriate windows are proposed.

Please let me know if you wish to withdraw the application for resubmission on a listed form, alternatively it will be refused.

Thank you

Amber
