Thank you for your internet representation made on 29th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40750

The amount of housing proposed for that area has got to take into account the number of vehicles that will be pouring onto roads that cannot cope.

This is changing Pagham from a village into a town, therefore taking away all that people for years have loved about this area.

People are going to be living like hens in a henhouse.

Doctors surgeries, schools, nhs are not equipped to cope with this influx of extra residents in this area., the roads are not equipped to deal with the extra traffic, there are not jobs in this area, for an extra 250 households therefore every bodies commute, on already stretched roads will be horrendous.

I strongly object
