Subject: P/127/21/RES

Dear Planning,

1. Environmental Health is unable to see information relating to Condition 32 of P/134/16/OUT.
2. Environmental Health has concerns that the 96 proposed Electric Vehicle charging points do not comply with Arun's current Parking Strategy. Please could the applicant amend this document so that the Parking Strategy is complied with.

At present therefore, Environmental Health **object** to this application.

Regards
