Dear Louise,

This is fine with me and our timescales. However, please note that the applicants wish to commence works on site in March before the Little Terns arrive to nest and they have requested that I determine this application expediently. If you can respond sooner, they would be grateful.

Kind Regards

Dear Simon

Thank you for consulting Historic England on the above Discharge of Conditions Application regarding the Entrance to Pagham Harbour.

Due to busy workloads please can Historic England request an extension of time for comments of 2 weeks. Please confirm in writing you are happy to receive comments by 13.03.2020. If we do not hear back from you will take that you are ok with the extension of time.
