Pagham Parish Council considered the following applications at a meeting of its Planning Committee held on 11th November 2025. It would like to comment as follows:

P/139/25/HH – The Old Boathouse 68A east Front Road Pagham PO21 4ST. Proposed boundary retaining wall and install steps. RESOLVED: OBJECT. Members felt the fence and retaining wall would be overbearing to the neighbours on the north east side. The combined height of the fence and wall would block the afternoon sun from the property to the north east. If the last 3 panels were reduced to hand rail height this would be more acceptable.

Best wishes
