Good morning Geoff,

The proposed works have to be clear on the block plan. I appreciate its at first floor level but you can shade the porch area.

Dear Julie,

Thank you for the email. I confirm that the ground floor extension is at the rear of the building as outlined in blue on the 'proposed ground floor plan'. The first floor front extension over the existing porch is as outlined in blue on the 'proposed first floor plan'. If for any reason this is not clear on the drawings I sent you on the 6th March please let me know.

Yours sincerely
Geoff
