Planning Department
Arun District Council

Dear Sirs,

I am sending the attached application for Mr N. Henderson.

The extensions to the house are designed to fit in with this row of terraced houses. The front extension uses materials as the main house and is identical to the neighbours extension at no. 43 Kings Drive. The rear extension is built of materials as the house, with a low-pitched tiled roof.

Please let me know if you need further information.

Yours sincerely,

Geoff Barter
