C.c. Pagham Parish Council

Dear Ms Osland

Reference: P\13\13 – 45 Kings Drive, Pagham. PO21 4PZ

We are writing to voice our concerns regarding the above planning application, not we hasten to add to the rear extension. Our concern is relating to the proposed second storey extension to the front porch which we feel is totally inappropriate, and, if allowed to be carried out could create a precedence which would spoil the planned design of the fifteen terraced houses with open plan frontages. It may also cause loss of light and higher noise levels to adjoining properties.

It can be seen that similar work has been carried out (which has been in existence for over twenty years) on number 43 Kings Drive, the end of terrace house and there does not seem to be any information regarding the type of construction.

We would thank you in advance for your attention and await your comments.

Yours faithfully
