Dear Ms Osland

Reference- P/13/13 – 45 Kings Drive, Pagham. PO21 4PZ

We are writing with regards to the above planning application. Our concerns are with the proposed second storey extension to the front porch which we feel is inappropriate and if this allowed to be carried out could create a precedence which would spoil the planned design of the fifteen terraced houses.

Similar work was carried out on number 43 Kings Drive some years ago, but there does not seem to be any information on this construction

Yours faithfully.
