RECEIVED

MR. B.E. TAUNTON.
18, LANGLEY GROVE
ALDWICK.
BOGNOR REGIS.
10.1.17 P02146J

I am opposed to the building
of 650 plus Houses on greenfield
sites.

P / 134 / 16 / OUT (SEFTER Rd)

P / 140 / 16 / OUT (PASHAM Rd).

The Proposed developments are
unsustainable within our
infrastructure. Our Doctors -
Dentists - Schools & Hospitals will
not be able to cope with the
extra influx of People.

The housing developments will be
responsible for increased flood
risk - traffic problems on country
roads & the loss of grade 2
farmland.

Yours Truly
