Thank you for your internet representation made on 25th January 2017 which has been recorded as '**an objection**' with the comments as follows:

Sustainable Transport

It is noted that comment is made re cycling however, the ever increasing level of planning applications for housing estates in West Sussex is leading to an unsustainable demand on our roads and country lanes. This increases the safety risk for road users - especially cyclists, causes frustration to road users and has a negative impact on health.

No further planning applications should be considered until a) Submissions clearly identify Sustainable transport solutions which should include on site routes and off site links to schools, shops and other transport hubs b) an allocation of Section 106 Funds levied to achieve this objective c) and links made to interconnecting cycle routes

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply

information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
