To Whom It May Concern

Application Number: P/140/16/OUT

I am writing to express my concern about the proposed developments in my local area.

I have lived in this area for over 40 years and have witnessed a very large increase in traffic on the roads between Pagham and Chichester. The proposed development will make matters worse and the small roads will not be able to cope with this.

I believe this development will be unsustainable and you will have to live with your conscious in years to come if you allow this development to go ahead.

Yours faithfully

Jonathan Lee
