I would like to register my objection to the planning proposals contained in:-

P/134/16/OUT for Sether Rd

P/140/16/OUT for South of Summer Lane

P/6/17/OUT for Hook Lane.

These proposals would put considerable strain on the local doctors, schools and hospital which are already under great strain.

Also the traffic would be far too much on our already very busy roads and struggle to handle all the traffic at peak times now without all the extra transport for all these additional houses.

Yours faithfully
