Thank you for your internet representation made on 1st February 2017 which has been recorded as '**an objection**' with the comments as follows:

Dear Sirs

My husband and I are writing to object to the above planning application as really think this is just ridiculous building all these 400 houses, centre, care home etc as there is no infrastructure being put in place. The doctors (Grove House) is already so busy that it is at the moment hard to get an appointment on the day you want. There are only a couple of NHS dentists available and it is very unlikely that they will take on any new patients. Are the developers going to build any new doctors or dentist surgeries? We came down Pagham Road from Chichester about 5pm the other day and it was just crawling - what will it be like with added cars and tractors. Pagham cannot see anymore houses built as the Pagham Road and the current infrastructure cannot cope with any extra.

*Yours faithfully
Tina and Tim Haines*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you

only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
