Dear Sir/Madam

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application for access only - mixed use development comprising of up to 400 dwellings, a care home with up to 70 beds, a Local Centre comprising up to 2000sqm of A1/A2/A3/D1/sui generis floorspace, provision of land for a 1FE primary school (with sufficient space to ensure that it is expandable to 2FE), provision of land for a scout hut, safeguarding of land to help link the site to the Pagham Harbour Cycle Route & other community uses including public open space & allotments with some matters reserved. This application is a Departure from the Development Plan

Land South of Summer Lane & West of Pagham Road Pagham

Thank you for your internet representation made on 1st February 2017 which has been recorded as '**an objection**' with the comments as follows:

I am very upset that there are proposed plans for 400 houses, a school and other buildings along Pagham Road. This is a beautiful safe area with a nature reserve well known in the bird watching world. I walk children and my dogs across these fields almost every day. Due to the fields being next to the nature reserve there is a lot of wildlife that lives there. Also on two occasions I have seen crested newts in the drainage ditch that runs next to the public footpath. All this would be lost and the sanctuary of the nature reserve would end up far too busy and ruined with hundreds of people walking it with lots more dogs and children. This would be an absolute tragedy. It would also majorly increase the traffic. I am also concerned about the increased risk of flooding. I am therefore totally against any building in this area.

*Yours sincerely

Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.
