Dear Sir,

1st February 17.

Having recently moved to  
Pagham for health reasons &  
it's such a community Village

We did our research on past  
flooding, but did not know of  
the recent Plans P/140/16/OUT.

Apart from building on prime grade  
2 farmland & Habitat for all  
wildlife, I feel this build  
would be unsustainable.  
Also, it would be unsustainable  
& unsuitable as I understand  
these fields are prone to flooding.

Also, it is unsuitable for extra  
traffic through Pagham Village  
apart from Marjot's HGV's & Holiday makers,  
it is unsustainable for more traffic  
from Housing and more pressure  
on NHS/School Services. I want  
Pagham to Remain a Village & not  
become a Town.

Yours Sincerely
