Land South of Summer Lane & West of Pagham Road Pagham

Thank you for your internet representation made on 6th February 2017 which has been recorded as '**an objection**' with the comments as follows:

Dear Sir/Madam

Please consider the above proposal carefully.

I am truly saddened to hear these plans are even being considered!

Apart from the compromise of our already over subscribed doctors surgeries, schools and all services related to this area i.e. water, telephone, gas, electric and the already overloading factor of our Sewage Station.

Getting in & out of Pagham will become more of a logistical nightmare with the Lagness Road too Chichester and all the surrounding feed roads becoming totally clogged up all day!

Also the irreparable damage of our glorious green fields & natural wild life habitats.

We need to be responsible & protect our legacy for our children and future generations.

Please reconsider all the objections and follow an ethical pathway to protect our precious environment.

yours sincerely

Scott Rafferty

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a

small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
