RE. HOOK LANE DEVELOPMENT

RE. P/134/16/OUT.

RE. P/140/16/OUT.

Dear Sir, Madam,

These developments will mean green fields being covered in tarmac, concrete, and bricks. It will mean less ground to absorb rain. It will mean less land for farmers to farm and produce food! We have already had flooding in the past five years in HOOK LANE. There is also the traffic issue. Yours faithfully
