Mr + Mrs Walker
22. Honeysuckle Drive
Mill Farm
Pagham
PO 21 3 PT.

Dear Sir,

I would like to register my disapproval and objection to the proposed housing project ref: P/140/16 out on the grounds that it is inappropriate to build on land which is registered as a Flood plain, also on the grounds of the increased traffic this would bring to the area that already has a high density of traffic. the main road out of Pagham is inadequate to cope, being a narrow twisting road which already has many accidents.

It supprises me that the council itself does not look for appropriate land surely the land Weor of Chalcraft lane

and North of Lower Bognor Road would be more appropriate, closer to the main A259 allowing people who need to work easier access to Chichester, Littlehampton, Worthing etc. and also closer to Schools and Bognor main Shopping Area.

I do hope you will take these points into consideration.

Yours sincerely
