Thank you for your internet representation made on 13th February 2017 which has been recorded as '**an objection**' with the comments as follows:

I would like to raise my concerns with the proposed housing down pagham Road, I have lived at this address for 14 years and feel this area is unsustainable for such a project. The traffic through a small village is already at capacity, I worked in Chichester and the journey each day (6 miles) already consists of sitting along pagham road approximately 45 mins on a good day! due to large amounts of traffic . The road itself suffers with severe flooding issue at times and certainly cannot with hold more traffic flow. We already have a major flood issue with pagham which will only get worse in time. Pagham prides itself with beautiful country sides overlooking farmland which will endanger species. I feel strongly about this prospasal coming to pagham and feel I myself would be looking elsewhere to call home, during peak season pagham attracts holiday makers which noise levels walking from the village pubs can be abusisive at times,I feel this would get far worse attracting and bring an extremely un appealing grace to pagham.
