The Assistant Director of Planning and Economic Regeneration
Arun Civic Centre,
Maltravers Road,
Littlehampton,
West Sussex, BN17 5LF

Application number P/140/16/OUT

Dear Sirs,

I wish to place on record my objection to the above proposed planning application for Hook Lane, Pagham Road Development.

I have lived here for some 20 plus years, during this entire time there has been inadequate capacity at the local sewage plant, the existing sub-stations fail continually.

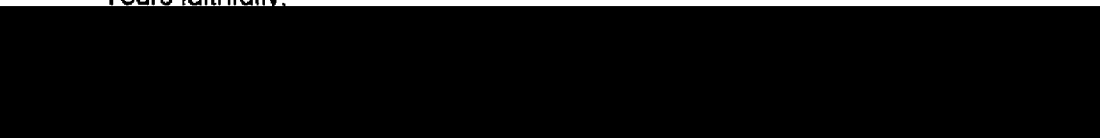

There has, for the past five years, been great difficulty in obtaining places for sibling children at the same primary schools.

Our doctors at Grove House have to rely on locums and I believe, are at the moment three full time doctors short for the number of patients allocated to the surgery.

The possibility of flooding from the erosion on Pagham beach and the shingle movement over the last years has yet to be resolved. Furthermore, the flood relief scheme for Chichester has surely created more problems should this development go ahead.

What happens to the Strategic Gap, is it just to be ignored because it's no longer convenient and gets in the way.

Yours faithfully,

Veronica Galvin Mrs
