Thank you for your internet representation made on 17th February 2017 which has been recorded as '**an objection**' with the comments as follows:

*To the director of planning,
Dear Sir, I strongly object, and must bring to your attention that to continue building houses in this village will cause untold problems, ROAD Traffic, condition of roads, problems of flooding in this area, plus using up vital agricultural land that is in short supply already will also become a problem in its self.
Where will all the additional facilities come from with regards to Doctors, Hospitals, Schooling, I feel this council has no idea of the traffic problems we have here with all the heavy lorries an industrial traffic struggling to cope with road conditions, people have to live somewhere but not at the cost of destroying villages and making them unsustainable.
Mr R. Spiers Pagham.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
