27th February 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application for access only - mixed use development comprising of up to 400 dwellings, a care home with up to 70 beds, a Local Centre comprising up to 2000sqm of A1/A2/A3/D1/sui generis floorspace, provision of land for a 1FE primary school (with sufficient space to ensure that it is expandable to 2FE), provision of land for a scout hut, safeguarding of land to help link the site to the Pagham Harbour Cycle Route & other community uses including public open space & allotments with some matters reserved. This application is a Departure from the Development Plan

Land South of Summer Lane & West of Pagham Road Pagham

Thank you for your internet representation made on 24th February 2017 which has been recorded as '**an objection**' with the comments as follows:

I'm writing to oppose the building application P/140/16/OUT . Having lived in this area for the last 25 years there are many reasons as to why I believe the proposed plans would be detrimental to our area and our community.

Firstly, I would like to talk about community and what it means to us. In this day and age, this idea of community is quickly diminishing; creating loneliness and a lack of identity for many people, particularly the elderly whom we have a large population of. Rose Green, Aldwick and Pagham are very fortunate to have a very close community, this will be lost if hundreds more people come to reside here.

My second point is in relation to the wonderful wildlife we have. In the summer months we are fortunate to share our home with two bats as well as a number of birds who visit our garden daily. I was so saddened to tell my young children that if the building plans go ahead, then these creatures will no longer remain with us. What a fabulous thing for young children to experience, bird spotting in their garden and watching bats fly around in the summer.

I notice from the plans that there is a proposal for a school. As a teacher at one of the Rose Green Schools I can tell you how hard the recent lack of funding has been for us. How will this school be funded if current schools are already struggling? If a school is not built, then where will all the hundreds of children be educated? We are already at capacity at our schools and our doctor's surgery.

As already pointed out, we are a small village and our road structure reflects this. The main road into Pagham and Rose Green is already a very dangerous one. Year by year it gets busier, particularly in the summer months when the holidaymakers use it. Recent roadworks on the road have caused huge amounts of traffic leading all the way to the roundabout near Hunston. What will this road, and the surrounding roads be like with hundreds more houses?

Please take into consideration all these points; preventing these building works is so very

important to our community.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
