Dear Sir/Madam

I have been amazed learn of the projected development now the subject the three planning applications Sefter Road, Pagham Rd and Hook Lane.

I do not feel that the present infrastructure can possibly cope with so much development (Roads, Doctors etc.) as already overstretched and short of money.

The open views of farmland and the views of the Downs will be much missed as well as the locally produced fresh vegetables. Danger of flooding would also seem to be another factor involved.

It seems to me that little consideration has been given to the overall picture and I would therefore like to register my strong objection to these plans

Yours sincerely
