Dear Sir / Madam

Arun District Council Planning application
Planning application

P/134/16/out (Sefton Rd) 1st April

P/140/16/out (Pagham Rd) 1st April

P/6/17/out (Hook Lane) 1st April

I am writing to object to the proposal
outlined above planning application

I came to retire to this calm
tranquil village twelve years ago. Having
come from a busy, polluted town on
the outskirts of London. You can appreciate
my joy I felt when I came and settled
in this area of beauty.

The area of land proposed for housing is part of the wider area away from the designed site boundaries is used by waterfowl which breed, feed and roost in Pagham Harbour Local Nature Reserve.

Historical and increased flood risk, traffic on country roads, loss of grade 2 farmland, increased pressure on doctor's, dentists, school and hospital.

All these essentials will be unsustainable.

Please accept this letter as my formal objection to this proposal outlined at the beginning of my letter.

Yours truly
