Dear Sir/Madam

This application is a Departure from the Development Plan

Land South of Summer Lane & West of Pagham Road Pagham

Thank you for your internet representation made on 8th March 2017 which has been recorded as '**an objection**' with the comments as follows:

Please see bullet points below

** This is one of 3 proposed housing developments within a single village !!! My objection isn't based on the houses themselves but its abundantly clear to anyone who uses the local roads that they will not cope with 100's more cars trying to access the A27 or roads into Bognor. Let alone when Church Farms holiday season is at its peak You are going to turn quiet side streets into daily rat runs.*

** Pagham has no local employers of note so nearly everyone moving into the area is going to add to the rush hour traffic which is already building up in the edges of Pagham/Rose Green following the opening of the Felpham Relief Road.*

** What is the plan to cope with this traffic in the area and also leaving/entering the area bearing in mind the plethora of other housing being agreed around an already ludicrously over crowded A27 corridor.*

** Having lived opposite the field where this development is proposed I struggle to believe that flooding issues are not going to be exasperated and potentially expand into surrounding areas. I have very little faith in self interested developers surveys and opinions as they are solely there to make as much money as they can.*

Please do not agree to this development, please do not kill my village and please listen to residents.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published

you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
