2 Honeysuckle Drive

Pagham. Bognor

West Sussex. PO21 3PT

15th March 2017

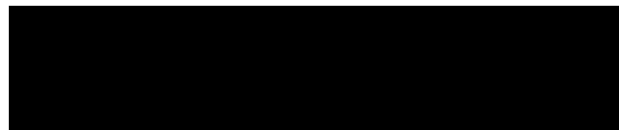

Dear Sirs P/134/16/out Sefton Road 350 houses P/140/16/out Pagham Road 400 houses

P/6/17/OUT Hook Lane 30 houses proposed.

I strongly oppose any more building in the above area. The roads are unsustainable, main roads dangerously built and unsuitable for cyclists. With a threat for even more HGV coming to Barfoot's bring more noise and pollution. Already Doctors, schools and local amenities struggling. The loss of grade 2 land and increased surface water run off, and sewerage. The proposed plans are unsustainable. With added vehicle movement to and from Church Farm adding to the problems.

Please please take the above proposals seriously we do not want added problems to the areas.

Yours faithfully

A. A. J. Spencer
