Land South of Summer Lane & West of Pagham Road Pagham

Thank you for your internet representation made on 24th March 2017 which has been recorded as '**an objection**' with the comments as follows:

There has been an increasing problem with traffic issues on surrounding country roads especially in access to the A27. The local farmed areas have had a significant increase in HGV movement to shift their produce but it is the cumulative effect in the loss of grade 2 farmland that is of concern. I'm worried over the increased pressure on doctors, dentists, schools & hospitals. This site already has a "scouting" facility and the proposed replacement by the developer looks more like bribery than genuine altruistic behavior. For example is there proper sports provision for the elementary school proposal? Not that I can see.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
