FROM MR. LINDSAY JIMBER.

P2130X

ARON DISTRICT COUNCIL IN PROTEST.

SIR,

Before Part 1, 7 & any other obvious
plans to take away & remove Agricultural
Land.

Wake up! Get up! As Parliament &
tell them you are building towns on
Agricultural Land & Wetlands. This land is
needed. I am older than any of you Councillors,
(ANI) I have known Pagham since I was 3.
= I was born a few years before the war.
up North thankfully - & able to appreciate
beachland, woodland & many lovely walks in
the village of Pulborough. Now ANB.
My Grandfather Dickens made sure much was
preserved; he even bought the "Cat & Han"
on a London & Manchester train to avoid

2. builders selling for American playparks etc.
hence it became a Bird Sanctuary for all to
enjoy. 1939. There is a plaque in 1907/00
"No Man should know the Cuckoo's Nest".

You see, a good Motto I have is -

"IMPOSSIBLE IS A WORD ONLY TO BE FOUND
IN THE DICTIONARY OF FOOLS."

TAKE MY ADVICE.

Therefore I totally disagree with your planning
ON needed AGRICULTURAL LAND.

YOU DO NOT ALLOW ANY TO BE
BUILT AS WEALTHY FOREIGNERS ARE
BUYING UP NEW PROPERTIES AS AN

INVESTMENT, ALL OVER
(GUARDIAN). ENGLAND. INSPECTOR
LET THE CHIEF MINISTER OR HOUSING ~~MINISTER~~

FOR PLANNING JOIN, I TELL HIM ABOUT
FLOOD PLAINS, PARLIAM SEA DEFENCES etc.
THE SEA BEING AS FAR AS VALUABLE GOODS,
(GOOD) LAND. I WILL CLAIM AGAIN!
