Land South of Summer Lane & West of Pagham Road Pagham

---

Thank you for your internet representation made on 10th May 2017 which has been recorded as '**an objection**' with the comments as follows:

*My family has lived in The Aldwick/Pagham area for over 20 years. Pagham in particular is an area of natural beauty. Have you strolled through the village & down Summer Lane? This application is monstrous & clearly against the boroughs sustainability ethos. Killing a villages identity, whilst destroying Greenbelt or farmland and adding pressure to already struggling public services is unforgivable. Greedy developers should be directed to the numerous brownfield sites available preferably away from an already congested West Sussex. PLEASE remember that it is YOUR job to represent existing residents NOT potentially new ones at their expense.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther  
Group Head of Planning
