Hi David,

Further to my email this morning, please find attached (over 2 emails) a revised masterplan as well as tweaks to the accompanying framework plans to ensure consistency. The revisions are minor and simply show a larger school site and also an access to Church Barton Farm.

I also attach a response to Pagham Parish Council's comments, which is accompanied by a letter from Ecology Solutions and Highgate Transportation which addresses the ecology and highways cumulative assessments respectively.

If you are able to confirm what will be done in terms of re-consultation so I can have an idea of timescales that would be great.

Given the file sizes, please can you confirm once both emails are received?

Many thanks,

Jenny
