Subject: Objection P/140/16/OUT Pagham Road

Dear Sirs or Madams

I wish to voice my objection to the proposed building program for the above reference number

.

The area of Pagham is a place of outstanding beauty and a wildlife sanctuary. It is also a designated agriculture zone providing 10% of the national requirement. To build in this area would desecrate the village and cause complete havoc to the roads and community.

Pagham is literally not big enough to cope with the extra housing you propose. Please reconsider this idiotic plan before it reaches the point of no return.
