This application is a Departure from the Development Plan
Land South of Summer Lane & West of Pagham Road Pagham

Thank you for your internet representation made on 23rd August 2017 which has been recorded as '**an objection**' with the comments as follows:

We strongly object to the proposed building of homes on prime farming land. This area has some of the best growing conditions in Britain and as a country we are always stating the crisis of not being able to sustain food levels. The small back roads of the area are already congested by farming vehicles, large freight vehicles, bikes and pedestrians on top of normal traffic, oh and not forgetting holiday traffic. Do the roads have the potential to cope with building equipment being transported and then thousands of additional new residential cars- No they do not is the answer! Also can the already stressed A27 cope with the extra volumes of traffic being imposed on it- we all now the answer is No! This area is significant with wildlife and in the growing of the nations food why destroy it!

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
