APPLICATION NO P/140/16/OUT

Further to the Council's letter of 25th July re the above and acknowledging the fact that this representation is after the deadline date of 24th August, I am writing now, although this is the third time I have protested against the application by developers to build too many houses in the Pagham/Aldwick area and my reasons for this, because I became aware, only very recently, of the acknowledged shortage of water in this area, and in the UK in general (as mentioned in the Countryfile Diaries on television). Therefore, surely, many more houses in this area of West Sussex will exacerbate the situation. Hopefully this has already been pointed out to Arun Council prior to the 24th.

Yours faithfully
