Jenny

As you may be aware we instructed highway consultants to advise the council on the various highways documents that had been submitted. They have provided some feedback to Highgate so far.

Have you had discussions with the other developers on Education requirements? What was the outcome?

Can you confirm your agreement to an extension of time through to 30 November. The aim is still to get the reports to a special committee but given that the s106 needs to be addressed this will no doubt take the matter into November.

Regards

David
