25th November 2017.

Dear Sir,

Re- Application P/140/16/OUT
Land South of Summer Lane and West of Pagham Road, Pagham.

THIS APPLICATION MUST BE REFUSED.

There are many reasons and which have already doubtless been put to you. I note below a few of them.

The area does not have the infrastructure required to take more housing.
The roads cannot take any further vehicles south of the A27 because of complete blockages already.
Doctor surgeries are already full
Dentist surgeries are already at full capacity.
Schools are already over-subscribed.
Emergency Services are delayed in heavy traffic.

The area is prime agricultural land which will be required to feed the population.

Brownfield sites must be used before green fields.

FORD AERODROME and its surrounds would better be used for development and is better placed to cope with all that is intended/required.

Yours faithfully,

Mrs G Owen,
