David

Apologies for the delay in replying to you and thank you for your e-mail.

We have chased WSCC on education as well and I do hope that they will be able to turn around their work asap. We have solicitors instructed so that once they are content with the formula for education payments, we can incorporate this within an agreement.

I would therefore like to focus on the 14 March Committee and ensure that this time is used to iron out any outstanding niggles so that we can give your committee confidence in moving forward. In that respect I am happy to extend the determination period to the 16 March 2018.

Could you let me know if the other Pagham developments are anticipated at the same committee?

Kind Regards

Paul
