Hi David,

I have spoken to my client and he has asked me to agree an extension to the application, but only until the end of this week (9th November). I understand that the S106 is nearing completion and there is no reason why it cannot be signed this week.

Many thanks

Jenny

Dear Ms. Henderson,

Following the decision of the Development Control Committee to approve the above planning application on the 24th October 2018, I would be grateful if you would provide written confirmation of your agreement to an extension of time until the 30th November 2018. This will provide sufficient time for the completion of the s106 agreement and will allow for any potential delays in the completion of the s106 agreement.

Please do not hesitate to contact me should you wish to discuss the above.
