Dear All

I note that the Pagham and Aldwick Advisory Group was established with agreed Terms of Reference, invited membership, meeting schedule (4- 6 times a year) and reporting arrangements by way of a ADC Cabinet report and Decision (C/026/161017) dated 16 October 2017. Please can you advise:

- a) The number of times the Group has met between 16 October 2017 and 24 October 2018
- b) The attendees at each of those meetings and
- c) Where Pagham Parish Council may view any officer agendas or notes of those meetings
- c)

Please place this e mail and any response on the file for future reference if required.

Thanks
