Subject: Highways Consideration of P/30/19

David,

I can confirm that P/30/19 (Land at Hook Lane) in highway terms is effectively the same as that considered under P/6/17 and as included in the cumulative transport assessment (CTA) covering P/140/16 (Summer Lane), P/134/16 (Sefter Road), P/25/17 (Church Barton Farm) and P/6/17. The only new matter forming part of P/30/19 is the inclusion of the accident monitoring scheme. The inclusion of this scheme would not affect the conclusions reached by WSCC on any of these planning applications.

If you need anything further please let me know.

Kind regards

Ian Gledhill
