Pagham Parish Council considered the following applications at a meeting of its Planning Committee held on 11th November 2025. It would like to comment as follows:

P/145/25/PL 194-196 Pagham Road Pagham PO21 3QB. Proposal to install 2No AC units, 1 NO HT1 refrigeration compressor pack, 1No gas cooler, 2.4m high timber hit and miss fence along with associated works. This application is in CIOL Zone 4 (Zero rated) as other development. RESOLVED: members remained concerned over the potential impact of noise on the neighbouring properties and were unclear as to the changes between this and the previous application for the site. On balance, the Council has NO OBJECTION PROVIDED a consultation response is received from the Environmental Health team that confirms there will be no unacceptable impact on neighbouring residential properties.

Best wishes

Nicola Swann
Clerk & RFO
