Hi Glynn,

I am just waiting for a response from our Landscape Officer re conditions 4 & 5. I had reconsulted them following the changes to the plans and given them until 25/11 but if they don't respond then I'll put the decision through for approval on Friday afternoon.

Kind Regards

Hi Simon

I see that Sarah has now confirmed acceptance of the drainage proposals and that the drainage condition can be discharged.

I trust that all the pre-start conditions have now been satisfied. If anything else is required please let me know.

Kind regards
